Kyle Field Renovation Student Opinion Poll

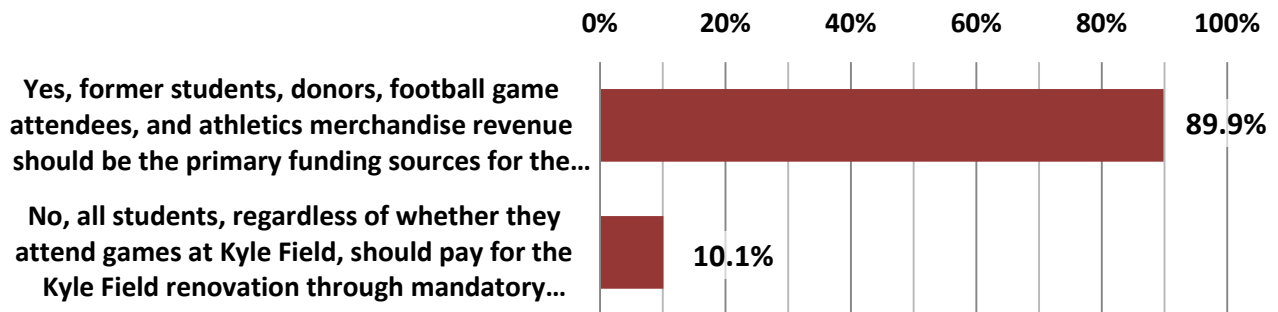

February 19, 2013 (7pm) to February 21, 2013 (5pm)

7,817 Respondents

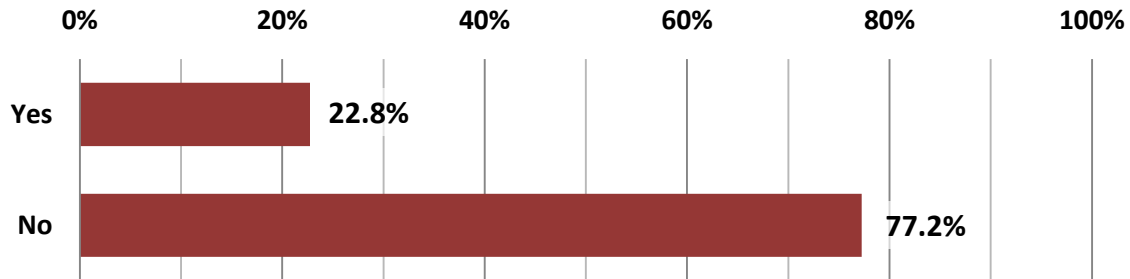

Do you think mandatory student fees and tuition dollars should be used to fund the Kyle Field renovation?

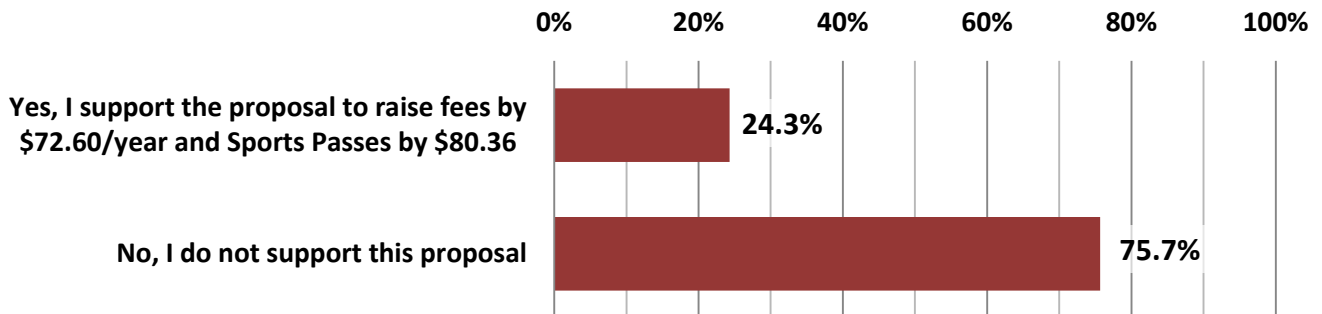

Do you think the Kyle Field renovation should be funded by former students, donors, football game attendees, and athletics merchandise revenue rather than by students?

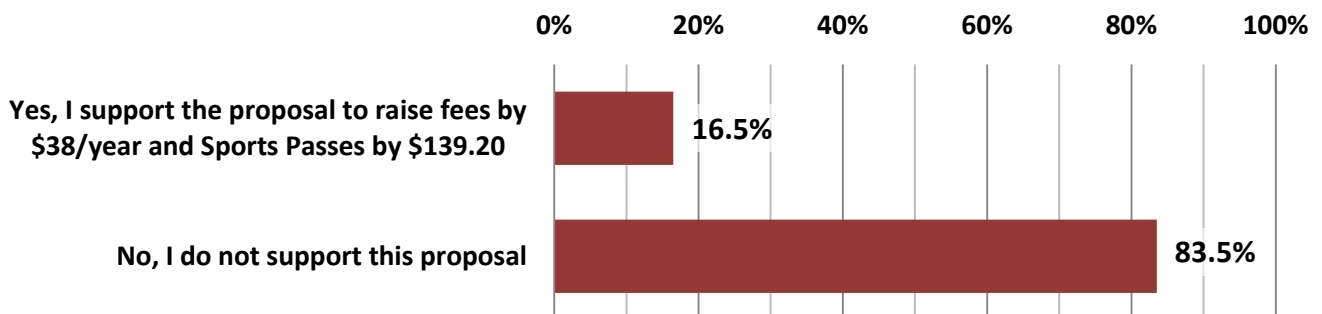

Do you think tuition, mandatory student fees, and tax-dollars should be used for NCAA athletics purposes rather than being spent exclusively to advance the education, research, and service missions of the university?

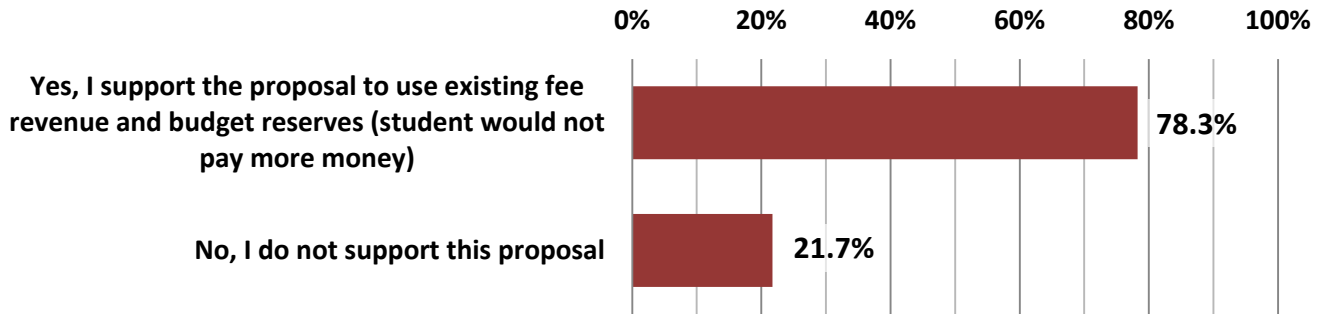

If students are to fund the Kyle Field renovation, do you support the university administration's proposal of raising mandatory student fees by \$72.60 per year (full time student, 2 semesters) and ALSO raising the Sports Pass price by \$80.36?

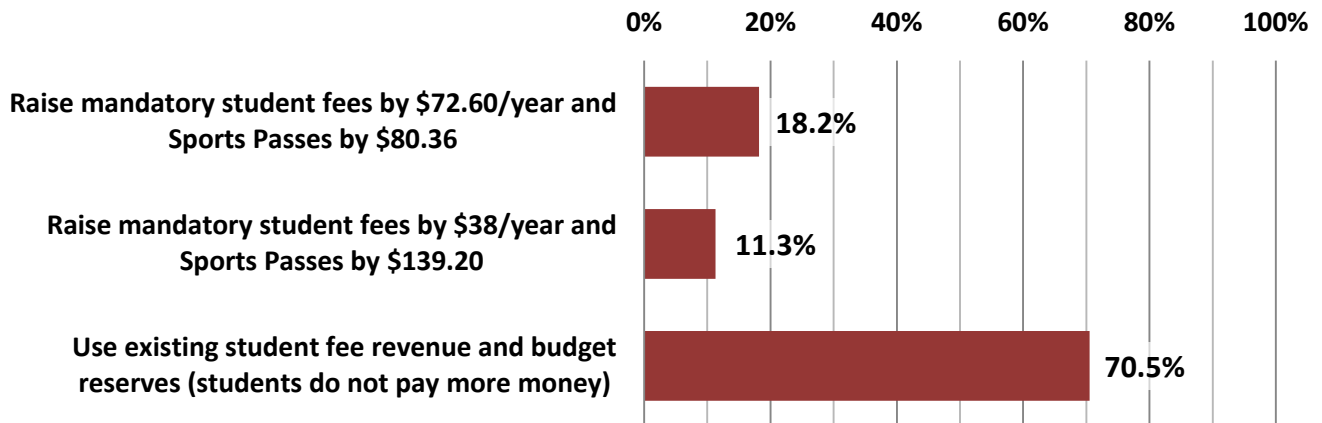

If students are to fund the Kyle Field renovation, do you support the proposal of raising mandatory student fees by \$38/year and ALSO raising the Sports Pass price by \$139.20?

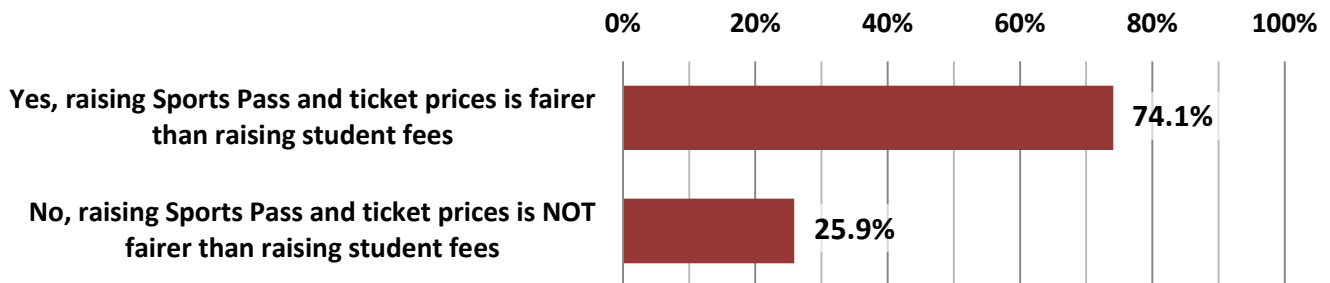

If students are to fund the Kyle Field renovation, do you support the proposal to use existing budget reserves reallocated funds to fund the Kyle Field renovation rather than increasing mandatory student fees and Sports Pass prices (students would not pay

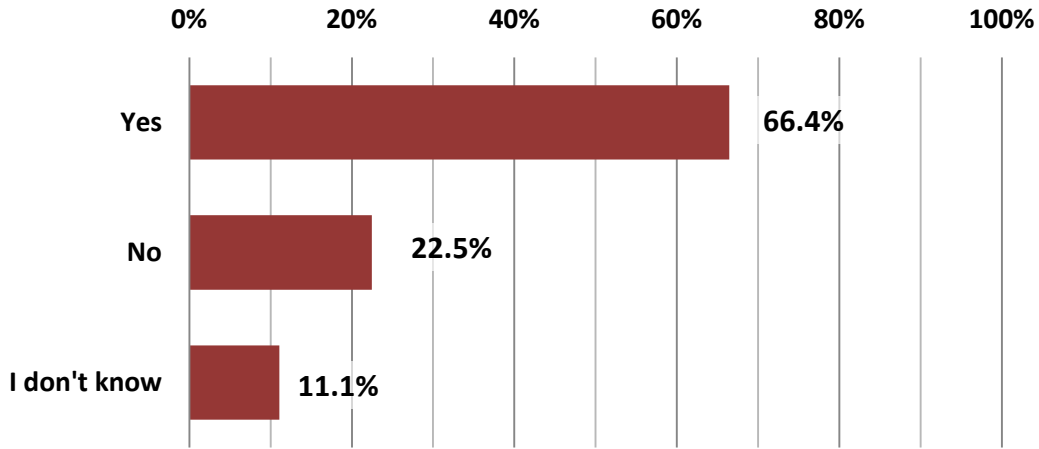

If students are to fund the Kyle Field renovation, which of the following proposals do you think is the best?

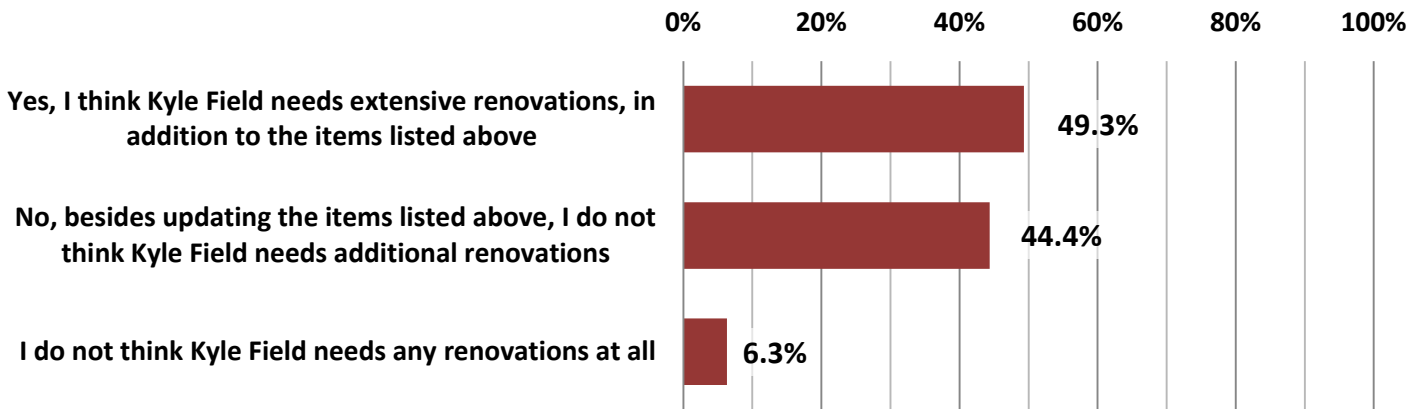

Do you think that increasing the price of Sports Passes and game tickets is a fairer method of raising revenue for NCAA athletics than increasing mandatory student fees, which all students pay (even if they don't have time/money to attend athletic events)

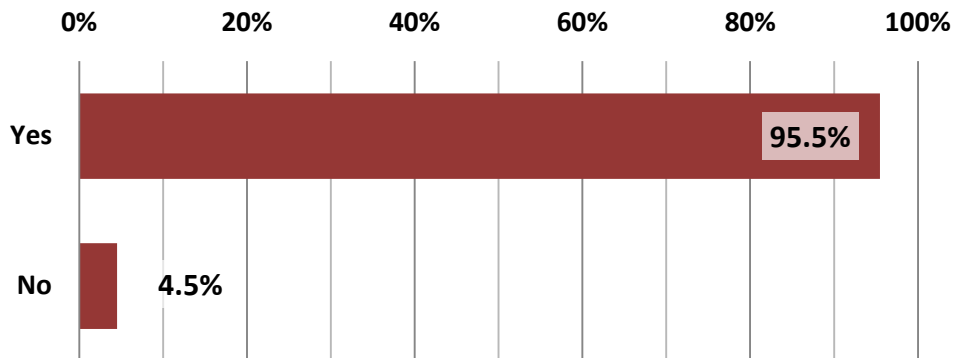

Do you think Kyle Field needs to be renovated?

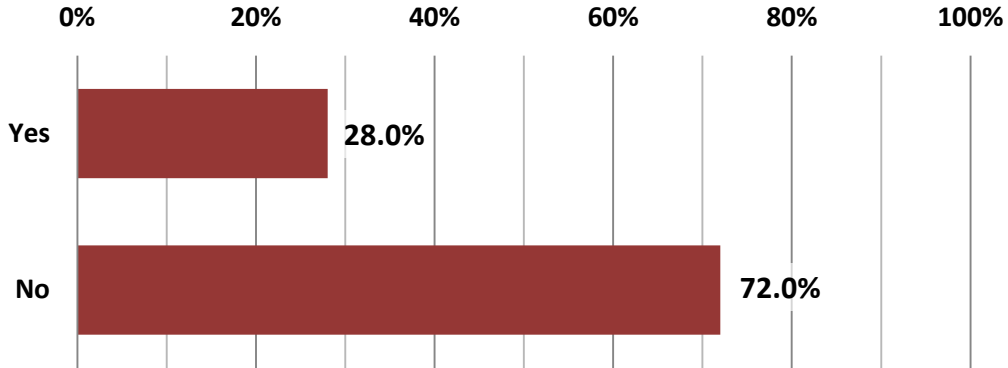

Except for basic safety improvements, additional exit ramps, additional/upgraded restrooms, and upgraded concessions capacity, do you think Kyle Field needs extensive renovations?

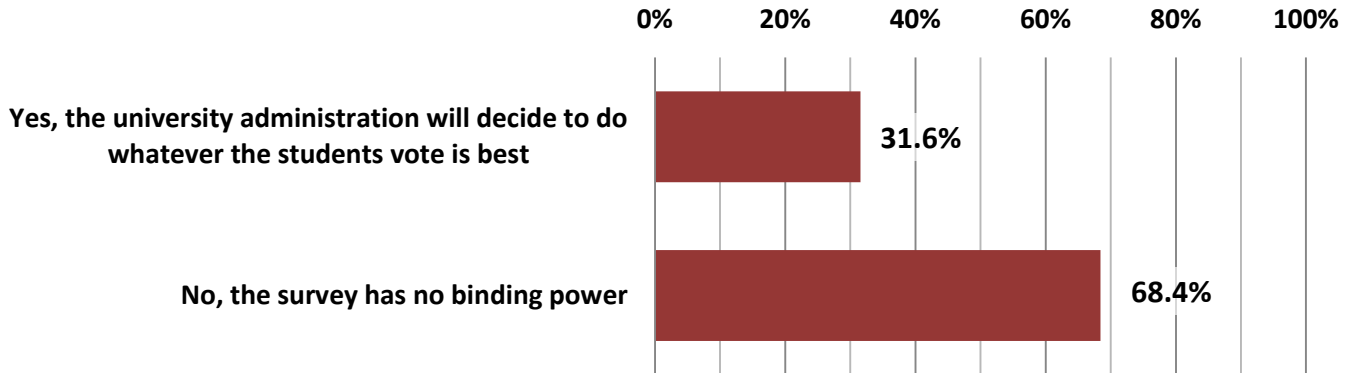

Do you think the current atmosphere in Kyle Field should be preserved?

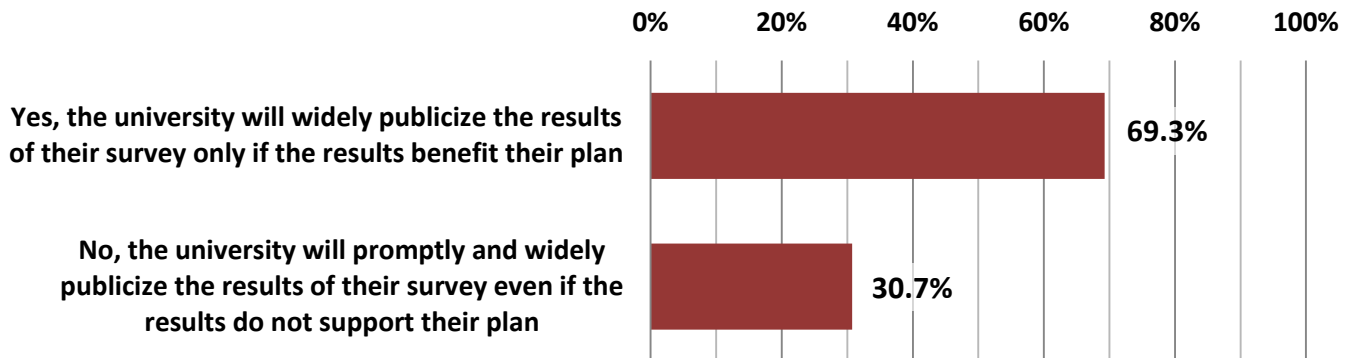

Do you think Kyle Field should be fully renovated to include most of the features found in luxury NFL stadiums?

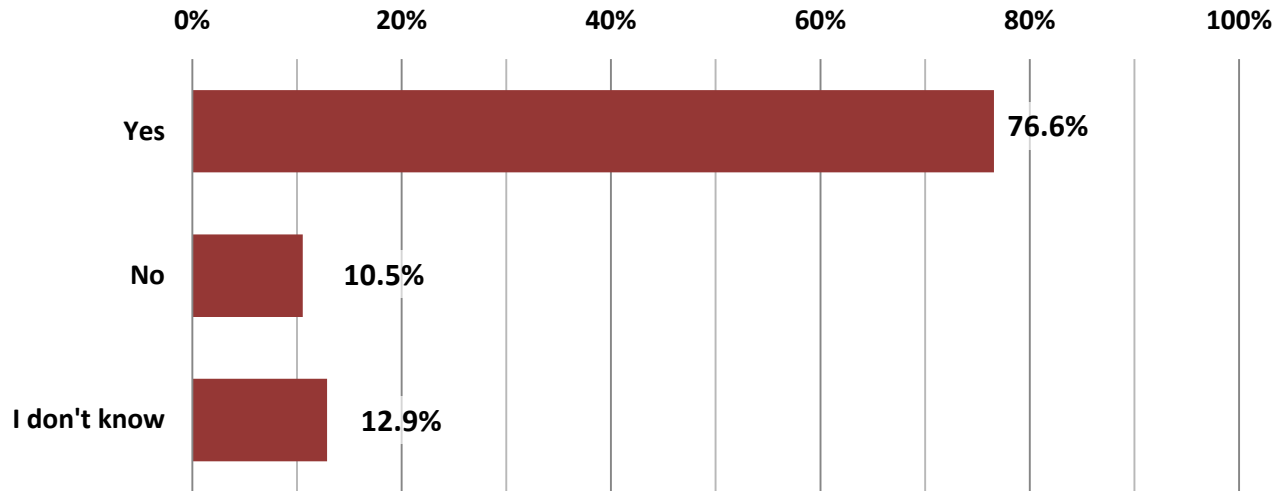

Do you think the student survey the university administration will conduct this week has any binding power?

Do you think the results of the student survey conducted by the university administration will be promptly and widely publicized only if the university administration thinks the results support their plan?

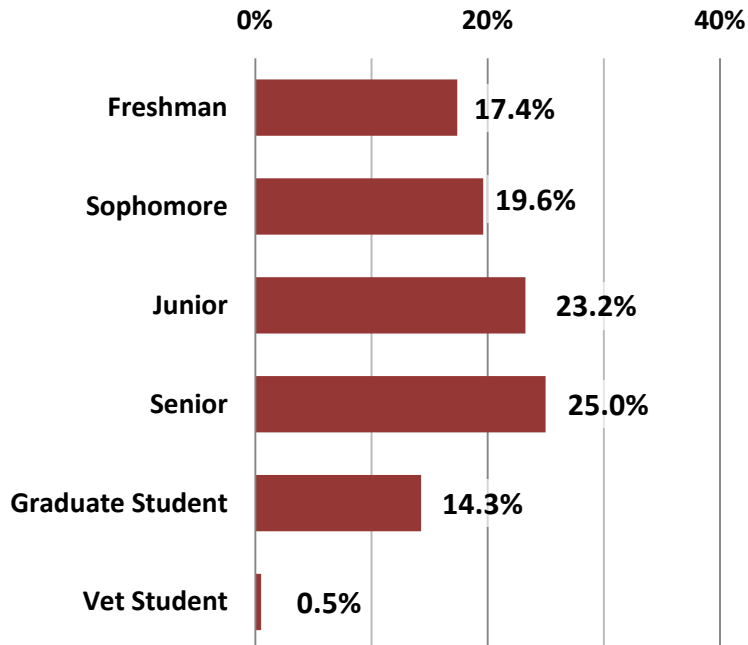

Do you realize that the Student Government Association's school wide referendum has no binding power, meaning that the university administration does NOT have to follow the will of the student vote?

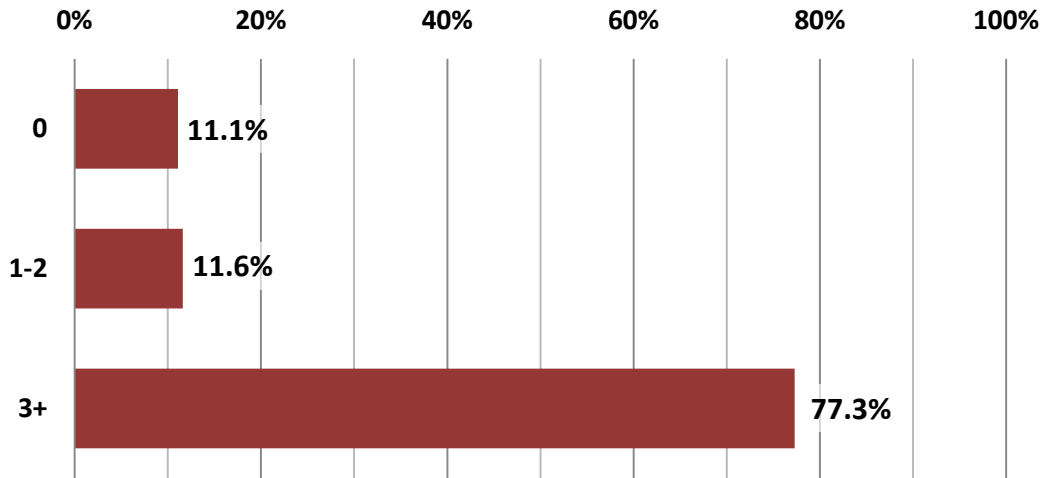

What is your classification?

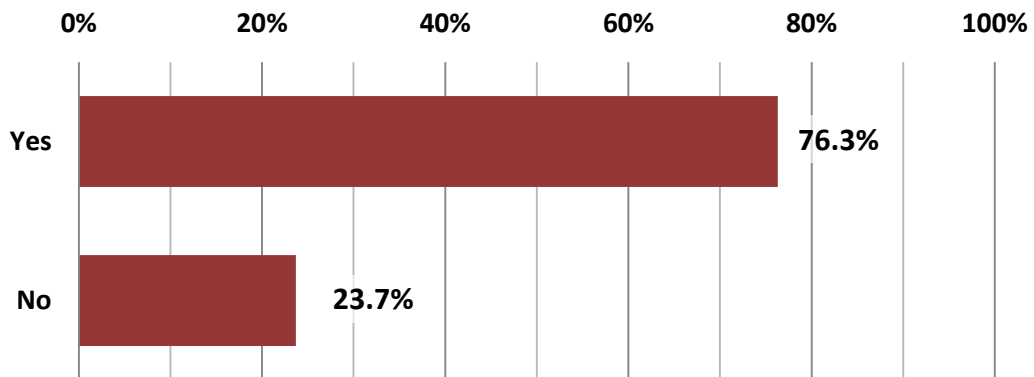

(categories below 0.5% excluded)

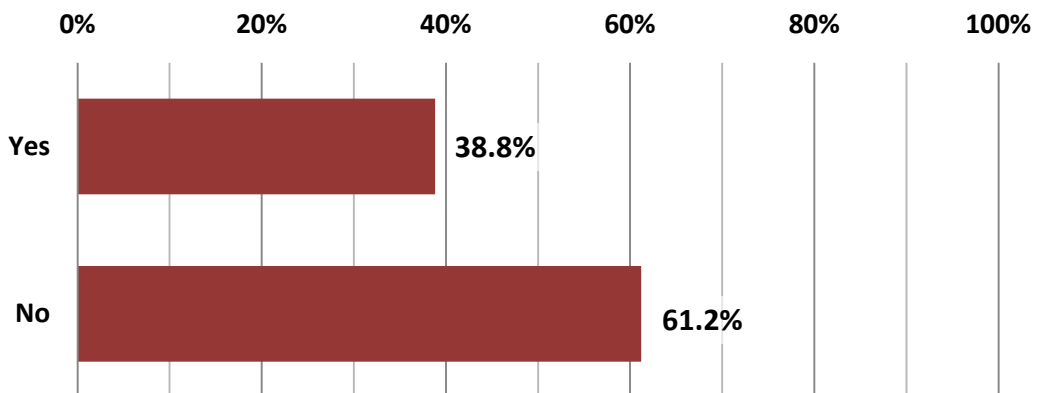

Last football season, how many home football games did you attend at Kyle Field?

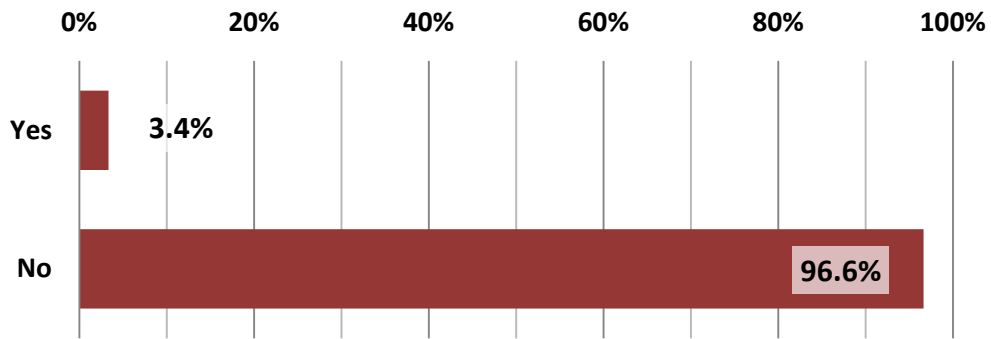

Did you buy a Sports Pass last season?

Did you let anyone borrow your Sports Pass last season for one or more football games?

Have you voluntarily donated to the Kyle Field renovation fund?

Would you voluntarily donate to help raise money to fund the Kyle Field renovation?
