LtGen Weber,

Good morning. I know you are on vacation for the next few days but I wanted to bring the below note to your attention. I understand Dr. Loftin had discussed this with you previously and asked me to follow up to see if there had been any further action or if you would like me to contact the Commandant directly about the possibility of inviting LtGen Flynn. I appreciate any information you may have. Thanks and have a Happy Fourth of July.

Dr. Loftin,
Hello. As we discussed, we are working on building a substantial long term relationship with the Defense Intelligence Agency (DIA). As part of these efforts, it would be of great benefit to have the Director of DIA, LtGen Michael Flynn (<http://www.dia.mil/about/leadership/director.html>) visit campus. I believe that the opportunity for him to review the Corps at one of the football games would help attract him for a visit. I know that these opportunities are few and are generally scheduled far in advance. Further, my understanding is that a request needs to be made to Col Byron F Stebbins. Are you OK with me making this request? Or should the request come from you? Or would you prefer that I hold off?
Regards,
Diane
